Mailing Address \_\_\_\_\_

Email \_\_\_\_\_

Phone \_\_\_\_\_

**4. Well Information**

Well Number (enter TBD if not yet assigned) \_\_\_\_\_

Well Location Address \_\_\_\_\_

Well Coordinates      Latitude \_\_\_\_\_      Longitude \_\_\_\_\_

Date Pumpage to Begin \_\_\_\_\_      Well Capacity (gpm) \_\_\_\_\_

Casing Diameter (in) \_\_\_\_\_      Aquifer \_\_\_\_\_

Intended Well Use (see definitions below)

Agricultural Irrigation       Industrial       Public Supply  
 Commercial/Domestic       Irrigation       Single-Family Dwelling  
 Geothermal       Lake/Pond/Pool       Single-Family Irrigation  
 Other: \_\_\_\_\_

**5. Change in Existing Well Status**

Well Number \_\_\_\_\_      Effective Date of Change \_\_\_\_\_

Change Status to       Active / Add to NFBWA Permit       Exempt from GRP Requirement /  
     Abandoned / Remove from NFBWA Permit      Remove from NFBWA Permit

Comments: \_\_\_\_\_

**Intended Use Definitions**

- Agricultural Irrigation: Wells used in production of food or fiber commodities grown for resale or commercial purposes. Includes wholesale nursery growers.
- Commercial/Domestic: Wells used by commercial or business establishments for potable or sanitary needs. (Examples: offices, warehouse, churches, schools, duplexes, etc.)
- Geothermal: Wells used for a geothermal heat exchanger. Specify whether closed-loop, reinjection, or pump and dump.
- Industrial: Wells used as part of an industrial process or in the manufacturing of a product.
- Irrigation: Wells used only for non-exempt irrigation purposes such as irrigation of golf courses, landscapes, parks, etc.
- Lake/Pond/Pool: Wells used to file or maintain the level of lakes, ponds, or pools.
- Public Supply: Wells used for retail or wholesale water supply. (Example: cities, water districts, private utilities, apartments, mobile home parks, etc.)
- Single-Family Dwelling: Wells connected to one single-family dwelling and used for typical domestic and sanitary needs.
- Single-Family Irrigation: Wells used for landscape irrigation at one single family residence, but not connected to and serving the dwelling.
