Interconnect Notification Form

- This Form is to be completed by Owners or Operators of non-exempt wells who are planning to utilize or are already utilizing an interconnection with another MUD during an emergency or planned system maintenance or repairs.
- Please complete form and email to nfbwa@bgeinc.com

A. Select one, the owner named in B., below is the:

Provider/Supplier User/Receiver of water

B. Owner Information

Owner: _____
 Operating Company: _____
 Engineer Firm: _____

C. Applicant (Person Completing & Submitting this Form):

Name: _____
 Phone: _____ Ext: _____
 Email: _____

D. Interconnect Information

Date interconnect was/is open _____
 Estimated day(s) interconnect will be open _____

Is the interconnect Metered?

Yes No

Reason for use of interconnect:

Check one of the following:

- Water is being conveyed between a Provider/Supplier and User/Receiver **both within the NFBWA.**
- Water is being conveyed from a Provider/Supplier **within the NFBWA** to a User/Receiver **outside the NFBWA.**
- Water is being conveyed from a Provider/Supplier **outside the NFBWA** to a User/Receiver **within the NFBWA.**

Note: water imported into the NFBWA from outside of the Authority may be subject to an imported water fee in accordance with Section 3.03 of the Authority's Rate Order unless the following conditions are met:

- The Authority has consented to the transfer in writing.
- Water is received for a period not to exceed 60 days and only if the receiving entity receives the water due to emergency conditions. The NFBWA will determine what constitutes emergency conditions

Are you requesting that NFBWA waive the imported water fee?

Yes No

It may take up to 60 days for the Board to act on requests.

What wells are affected by use of the interconnect?

For each well, indicate whether the well will be used more or less than 'normal', or used at all.

Does the User/Receiver have any alternatives to using this interconnect (including other interconnects)?

If yes, please explain.

How will the provider/Supplier be repaid for the water?

If the interconnect is not metered, describe how the quantity of water will be established.

Please email this completed form to NFBWA@bgeinc.com.
